## Our Mission

We are a professional team committed to providing quality and confidential services, dedicated to empower consumers through empathy and compassion in a trustworthy and attentive environment.

## Specialized Disease Management

Our coordinated care team includes a program manager, nurse, two medical case managers, LPN/laboratory technician, infectious disease doctor, and pharmacist who work together on a daily basis to ensure that clients' needs in care and treatment are addressed.

## Medication Adherence Counseling and Assistance

Our pharmacist, nurses, and medical case managers work with clients to ensure the efficacy of their treatment regimen.

## Disease Prevention

Our medical case managers and nurses educate and support clients on maintaining healthy lifestyles.

## Support Systems

Our medical case manager and nurses facilitate client's access to other needed care services, including dental services.

## Who is Eligible?

Anyone with a documented HIV-positive test result who resides in northeastern North Carolina is eligible for the program.

Medicaid, Medicare, and private insurance are accepted. Clients with no payer source might be eligible to receive Ryan White funding for services.

To learn more about our services, to refer a patient, or to schedule an appointment, contact our medical case manager at 888-718-0015 or 252-332-6650.

## Our Work

We travel throughout northeastern North Carolina to provide our clients quality care services. Our team works to diminish the many barriers clients face in accessing medical care by providing HIV care services at safe and convenient locations. Regional care sites are located in Beaufort, Bertie, Dare, Halifax, Hertford, and Lenoir Counties.
